

March 17, 1939.

Mr. Bob Rose,
Harrisburg, Pa.

Dear Sir:

Your letter of March 16th just received. I will be expecting to hear from you and ready to come to Harrisburg as soon as you suggest.

I wish to take this opportunity to tell you the Negro National League has adopted the Wilson 150 C-C cushion cork center ball for the League season of 1939. I must insist however, that the ball be made more easy to obtain in the various Cities in which we play. Many teams experienced great difficulty last year, resulting in lots of inconvenience on many occasions. Will appreciate your co-operation.

Very truly yours,
